

Auspiciously, likely prompted by the Holy Spirit, the **Knights of Columbus** completed earlier this year a timely documentary on the rich legacy of the Catholic faith among Indigenous communities in North America. Part of the Knights' Faith Formation and Native Solidarity Initiatives, the documentary inspires a deeper appreciation for the spiritual and cultural gifts of Native American Catholics, a greater understanding of the wrongs inflicted upon them by the policies of the past, and a sense of hope at how Native American Catholics continue to live out their faith today. Above all, it offers a missing piece to the greater story of Catholicism in North America and a beautiful example of how Christ reveals himself through the uniqueness of every culture. The film, *Enduring Faith*, is now freely available and accessible to all via kofc.org/enduringfaith.

Thanksgiving Prayer

O God, when I have food, help me to remember the hungry;

When I have work, help me to remember the jobless;

When I have a home, help me to remember those who have no home at all;

When I am without pain, help me to remember those who suffer,

And remembering, help me to destroy my complacency; bestir my compassion, and be concerned enough to help;

By word and deed, those who cry out for what we take for granted.

Amen.
