Our Lady of the Assumption Parish "Investing in Hope" Pledge Campaign will fund the long-term capital needs of our parish to ensure the sustainability of our church. This Pledge Campaign is separate from our weekly Sunday offerings which fund the operating costs of our parish.

Charitable donations in excess of \$200 in any particular calendar year receive federal and provincial income tax credits of 45.7% of your donation amount. Thus your net cost (after tax savings) is 54.3% of your total donation. Examples of your net cost are as follows:

Yearly Donation Amount	Tax Savings (45.7%)	Net cost (54.3%)	Net Cost/Week
\$ 500	\$ 228.50	\$ 271.50	\$ 5.22
\$1,000	\$ 457.00	\$ 543.00	\$10.44
\$1,500	\$ 685.50	\$ 814.50	\$15.66
\$3,000	\$1,371.00	\$1,629.00	\$31.33
\$5,000	\$2,285.00	\$2,715.00	\$52.21

*This gift is made after prayerful consideration and we are honored to be a part of the "Investing in Hope" Campaign that will provide the financial resources to address the capital projects required for our parish.*
